O Christ,
take us to your mountain.
Transform all our acts,
our very being,
into your
love.

“We are all walking around
shining like the
sun.” *

Let us see it.
Let us
glimpse your glory.

In beauty
in skies and
flowers and butterflies.

In a happy
child’s face, in
music that our souls sing,
In joyful folks helping other folks.

Thomas Awiapo tells a truly inspiring story of survival and success. Growing up in a small African village in Ghana, Thomas was orphaned before the age of ten and left on his own to struggle for survival.

His search for food led him to an elementary school, where he was fed a small meal every day. He survived, studied, and eventually won scholarships to attend college. Please join us on Wednesday, March 7 at 12:15 p.m. at Sheil Catholic Center as we encounter the stories of our brothers and sisters from around the world, whose lives have been touched by your Lenten sacrifices through CRS Rice Bowl.

PRAYER FOR BLACK HISTORY MONTH

Spirit of Abundance, God of Grace, Mother of Hope,
We pause now to remember those stories that are all around us,
But so often passed over,
Those stories that when told are shared because
Of what someone is, not who they are.
This month in our nation’s character
Is Black History month.
Help us to realize that Black history is
All our histories.
May the day come when these stories
Are so wildly taught that no month need
Be separately divided.
We know this day will not come until we as a people
Make different choices.
We pray now for those new choices.
May we come to see a day where the prison system
Becomes redemptive, not punitive.
A day where the legal system learns to focus more squarely on the facts,
And the not colors of our skin.
A day where our schools are as well funded, as the needs demand.
May our role models be allowed to excel when they thrive,
And not be taken down for their rich heritage.
We know this will require a shift in power.
And this can be scary for some.
Give those full of fear – hope.
May we come to know grace,
So that our hearts will not be hardened to the pain around us.
There are so many beautiful stories needing to be told.
And we need to get the chance to hear them.
Widen our vision so that the history that is shared this month,
And every month,
Come to be known as our history too.
We are most human when we see the humanity in others.
