We believe that adherence to
the law and moral codes
will result in a better relationship with God.

Jeremiah
St. Paul
Jesus

subtly tell us that a
loving relationship with God
will provide all the impetus
we need to become the
moral loving people
that we are called to become.

How transformational!

**Busy Student Retreat**

Sunday, April 15
Thursday, April 19

My Soul Thirsts for God……..

The Busy Student Retreat was developed to allow a retreat experience without ever leaving campus. The schedule is flexible and it requires only 1 hour per day (half hour meeting with spiritual companion and half hour personal prayer). This retreat allows you to spend a portion of each day to “come away for a while to an out of the way place” to retreat—to pray and reflect, to talk and share, and grow in God’s love for you.

Everything about this retreat is intended to help deepen your awareness of your faith relationship with God. The two most important elements of this retreat are the commitments you make to spend time in personal prayer and reflection each day and meet with a spiritual companion to discuss your journey, as well as, the fruits of your prayer and reflection.

**Faithful Witness: Scripture and Revelation:**
What is the nature of revelation? How does the Church read and interpret Sacred Scripture? What does Tradition have to do with revelation? In what ways do we pass on the faith and what happens when there are disagreements about the content of that faith? This seminar tackles these questions as it looks at the ways God has revealed the divine self to us.

Seminar meets Tuesdays, April 10, 17, May 1, 8, 15 from 6:15-8:05 pm

*Mary Deeley facilitates the discussion*

**Catholic Themes in JRR Tolkien**
This seminar explores the religious aspects behind The Lord of the Rings, and other works by J.R.R. Tolkien. Tolkien's world view is greatly influenced by his belief in God and he conveys that belief through his characters, story setting, and powerful symbols. His works have greatly influenced me personally, and the aim of this course is to share with you what I love about Middle-Earth, and why it is considered one of the greatest fantasy stories of all time.

The seminar is open to all students at Northwestern, and will meet Thursdays - April 19, 26, May 3, 10 - from 6:30-7:50 pm.

*Seminar is facilitated by Nick Hauger '20*
A dynamic society accords respect to political activities and the choice of a career in politics, and it needs to do so for society to thrive. Politics is held in low repute today, breeding contempt for the day-to-day activities of citizens and politicians involved in the making of law and public policy. Self-government is a great achievement; both rare and fragile, it is only achieved by the virtue of those who participate in it. Contempt for politics and politicians imperils our republic by dissuading virtuous men and women from assisting in the making of law and public policy.
