ASSOCIATE’S
HABITAT FOR HUMANITY TRIP

Associates from the Sheil community have been traveling to the same community in Tutwiler Mississippi since 2004. Associates have formed a bond with the residents and the residents look forward to working with our volunteers every year. The trip is a unique and uplifting experience for all.

"There are so many aspects of the trip that are refreshing --- relating my volunteering work to catholic teaching, laughing like I have not laughed in months, pounding nails into a block of wood, and meeting the excited soon-to-be home owners." - Nicole Sleiter, 2015

Applications for the Associate’s Habitat for Humanity Trip to Tutwiler, MS are now available. Meet your fellow associates, learn basic home construction, and provide meaningful service to an impoverished community in the heart of the Mississippi Delta. The cost is $350 per person and space is limited.

All applications are due by March 15th. If you have any questions, please contact Mike Perry at (847)-673-0121 or by email: mfp884@yahoo.com.

"The cause for beatification and canonization of The Servant of God Reverend Augustus Tolton, the first African American to be ordained a Roman Catholic priest for the United States, continues to advance with the approval of the theological consultants of the Congregation of the Causes of Saints of his virtuous and heroic life." Because he was African American he struggled for years to be accepted into a seminary. Reverend Tolton was finally ordained a priest in Rome April 24, 1886. He served as an archdiocesan priest in Chicago, ministering to the impoverished black population of the city until his death in 1897.

Agustus Tolton was born into slavery in Ralls County, Missouri in 1854. His family had been baptized Catholic and he had a devout Catholic upbringing. His life was filled with daily prayer, Mass on Sundays, and education in Catholic schools. During his struggle to find a seminary that would accept him, Agustus began a Sunday school for African Americans, joined the temperance movement, and modeled day-to-day living in "attendance at daily Mass, dependability at work, diligence in his attendance at college classes, and talking with families urging them to see to the religious instruction of their children."
