Catholic Scholars Program Rising Sophomores, Juniors, Seniors DESCRIPTION AND APPLICATION 2022-2023

CHRIST THE TEACHER INSTITUTE

The *Christ the Teacher Institute* (CTI) is a mission of the Sheil Catholic Center (SCC) at Northwestern University. Its purpose is to form Catholic leaders for the Church and the world through the integration of scholarship, prayer, service, and leadership. The Institute oversees the Sheil Seminars, the Catholic Scholars Program, the Catholic Fellowships in Church leadership, the Simpson Essay Prize, and the Sheil Speaker's Series.

CATHOLIC SCHOLARS PROGRAM

In order to enter into an adult relationship with Christ, Catholic Scholars take seriously the commitment to deepen their understanding of faith, pray on a regular basis, serve the needs of others and provide leadership that is distinctively Catholic. Catholic Scholars are theologically grounded, spiritually alive, articulate in their faith, and joyfully involved in Catholic tradition. Graduates of this program will be well-prepared to serve on parish councils, teach Religious Education, participate in liturgy committees, and lead social justice efforts. In addition, they are able to bring Christian principles to their families and careers. The normal length of the program is six quarters. Rising seniors may apply for a modified program of three quarters. Students in the full program may, in discernment with the director, have the option of leaving the program with a one-year certificate. Applications for the 2022-2023 Catholic Scholars Program are open May 1 and due by August 26, 2022.

STIPENDS

Stipends help pay for the expenses of the Catholic Scholars Program and provide additional self-earned income to pay for any other expenses. All first year Scholars will receive \$2,000 (less the cost of mission trips and/or retreats) Scholars who continue into the second year will receive an additional \$3,000 which may be used to pay for additional retreats or mission trips or for other expenses. Stipends are paid out at the end of the academic year, unless special arrangements are made. **Students who become Catholic Scholars may decline all or part of their stipend so that others might take advantage of the program.**

The stipend money given here will not reduce NU's commitment to meet full demonstrated need. Any part of the stipend not used for required costs of the program (i.e. cost of mission trips) would be considered an outside source of income to reduce the self-help portion of the student's financial aid award. In very rare instances, the stipend may affect Northwestern financial assistance. Students participating in a coop or study abroad must discuss with the director how they will complete the program and how that will affect the distribution of their stipend. Entry into the program assumes completion of at least the three quarters. **If a student drops out of the program without completing at least three quarters, the student is obligated to reimburse Sheil for all stipend funds given up until the point of departure.**

PROGRAM DIRECTOR

CTI is directed by Sr. Belinda Monahan, OSB. who holds a PhD in anthropology from Northwestern and a Certificate in Spiritual Direction from St. John's University School of Theology. She is currently studying for her Master's of Theological Studies in Spirituality and Monastic Studies. She entered the Benedictine Sisters of Chicago in 2007. Sr. Belinda has worked with college and university students since 2000. In her work, she has participated in archaeological excavations in Jordan, Turkey, India, Armenia, Belize, and New Mexico. Sr. Belinda is currently the Director of Transformative Learning for the Sheil Catholic Center at Northwestern. She interacts personally with the students, and teaches some of the Seminars for *Christ the Teacher*, as well as serving as an advisor to all Catholic Scholars.
